MARVY.SOL

COLLAB MANAGER ♦ ALPHA HUNTER ♦ WEB3 PROFESSIONAL

PROFESSIONAL SUMMARY

Experienced Collaboration Manager and Alpha Hunter with 3+ years deep in the Web3 ecosystem. Proven track record building strategic partnerships across NFT projects, DAOs, Memecoins, and DeFi communities. Skilled in negotiation, stakeholder management, and driving high-impact collabs that sell out projects and grow communities. Passionate about connecting the right people and unlocking alpha for the communities I serve.

CORE SERVICES

► Collab Management

Secure and manage strategic project collaborations from outreach to execution.

► Alpha Hunting

Research and surface high-conviction alpha calls for DAO communities.

► AMA Coordination

Plan and host Ask-Me-Anything sessions with key Web3 founders & teams.

► Partnership Dev

Build long-term cross-community relationships that drive sustained growth.

- +20 More

► ALPHA HUNTER DEPLOYMENTS

- Sukuna DAO
- JustNFT DAO
- Zeen DAO
- SpongeBob DAO
- Whatt DAO
- Infinity Alpha
- Cold Alpha

STRATEGIC SCOPE & IMPACT

• Ecosystem Partnership Scaling

Negotiate and execute cross-community frameworks bridging top-tier projects on Solana and EVM chains. Specialize in designing custom value-exchange models for NFTs, DAOs, and high-momentum Memecoin communities.

• High-Signal Alpha Intelligence

Conduct rigorous project market research and analysis to isolate high-conviction early market plays. Seamlessly pipe verified actionable alpha straight into active DAO structures to optimize community wealth generation.
